Subject: Monthly Progress Report, T-4713-B

This is the twenty-fifth report on project EREP.108, which covers the month of July 1975.

The principal investigator was engaged on other projects (Apollo-Soyuz) for the reporting period. Dr. Gordon continued his Monte Carlo calculations for half of the month then went on leave. Lt. Roger DeVivo, one of the NOAA officers assigned to the project resigned, and Lt. Al Yanaway has assumed his duties in computer programming.
